18:06:05.00 The question is whether the court will turn its back on protecting diversidiversity. One factor among
many in achieving the competitive interest of producing diverse student body. Four major civil liberty cases where the
high courts rulings could mean ground breaking change. And we may have answers as soon as tomorrow as
mondays and thursdays are when the justices usually announce their decisions. Brandy, thank you. A perfect day for
the **san diego** international **boat show**. So what about tomorrows weather? Hi, greg. You saw in some of those
pictures some clouds today. We did not you can see a lot of the high clouds. We are a little bit cooler today. That will
be the case as we head into this evening. Just a little bit cooler. Inland as well. As the day goes on it will be a little bit
more stubborn. Thank you. Nelson mandela has taken a turn for the worse tonight. Just a short time ago the south
african government says the former presidents health has deteriorated and he is now in critical condition. He was told
by the medical team that mandelas condition has worsened. A bomb shell tonight from the former government
contractor charged with revealing U.S. Secrets. Nbc's brian moore reports that he has reportedly requested asylum in
south america. Upping the ante and angst in washington. What is infuriating here is putin aiding and abetting the
escape. I want to get him caught and brought back for trial and i think we need to know exactly what he has.
President obama is getting regular briefings on a man who could become an intelligence gold mine for americas
rivals and enemies. He reportedly requested asylum from ecuador. He believes it is vital that he stays out of the

clutches of the U.S. government. U.S. officials insist that snowden is no whistle blower. We have already seen that. Secrets that might be his passport to freedom. It could complicate and probably wont end his journey. Rembering the great james gandolini. A film festival pays tribute to the late actor. A rare panda birth in china (TRT=08:16)

17) Market: San Diego CA [SD] [28] HUT: 1,077,600 DMA%: 0.94

11:26:08.00 I tell you what, this is a tenth annual international **san diego boat show**. Its already here. You bet. Youre the man in charge. Down at sheridan, harbor island. Welcome to the water. It is a great day for boating. What kind of boats we talking? We got little guys here. Were talking from here basically up. Way up to 104-foot boat down there thats for sale for a bargain price of \$5.2 Million. Thats cheap actually. \$5 Million doesnt buy you that much boat anymore. Back when we were kids, you could buy a real yacht for that. What other kind of stuff you got? Well show some video of some of the shows of the past. This is an in-the-water show. It is in the water and on land. We have a wide collection of boats. Over 150 sail and power. Really in every price range, every type of model that you could possibly imagine. Technology. Course you can have all the gidgets and gadgets down there to show folks. They can take off their shoes and get on almost anything. The idea is that our shows are highly interactive. Can you try scuba diving, take a paddle board out, you can take a kayak out. Can you even go for a sail or powerboat ride just to see if the boating lifestyle is good for you. It is, trust me. It is for everybody. Theres the information, foegs. It goes through the weekend. Kids free under 15. For us big kids, yeah it will cost \$12. You cant even go to a movie for \$12 anymore. As it great bargain. Down at sheridan, harbor island. See you there on the water. Thank you very much. Back to you. Coming up on the news at 4:00 well have the very latest on that S.W.A.T. Situation thats going on in imperial beach (TRT=01:38)
