

CONGRESSIONAL BOATING CAUCUS

Celebrating its 30-year anniversary, the Congressional Boating Caucus is a bipartisan group of more than 100 U.S. Senators and Representatives formed in 1989 to advocate for the interests of the recreational boating industry.

The Congressional Boating Caucus provides leadership on priority issues for the marine industry, such as restoration of the Everglades, fisheries management reform, protecting consumers from misfuelling with E15, fair and free trade, and support for waterway access.
